Dear Sir:

TELEPHONE INTERVIEW SUMMARY

Applicant submits this telephone interview summary to meet the requirements of 37 C.F.R. § 1.133(b), and according to the requirements listed in MPEP § 713.04.

Date/Type of Interview: telephone interview conducted on September 01, 2004

Examiner: Stephen Kenny

Name of Applicant's attorney: Donald M. Duft

Agreement reached and general nature of the agreement:

On page 2 of the Office Action of 26 July 2004, the Examiner set forth an objection to the drawings alleging that they include reference characters not mentioned in the description and that several of the reference numbers in the 100 series are not illustrated. This objection was discussed with Examiner Kenny in a telephone conversation on 01 September 2004. During this conversation, the undersigned said he could not understand the objection and asked Examiner Kenny for additional information regarding discrepancies between the use of part numbers on the drawings and in the description. Examiner Kenny said he would review this objection and provide further information regarding the alleged deficiencies. In a return phone call, Examiner Kenny said that he could not find any drawing deficiencies and that the applicants need not take any further action regarding this

issue until specific deficiencies are found by Examiner Kenny and communicated to the applicants.

Respectfully submitted,

Date: 27 Oct 04
